

Sue Baines – Instructor.

Sue joined GVDTC in 1993 and became an Instructor at the club in 2007, making her the longest serving member at the club in the present Instructors Team. She has taught a wide variety of activities including Obedience, Fly-ball, Fun Agility, Rally 'o' and the KCGCDS Awards at Bronze, Silver and Gold Level.

On a personal level Sue has taken part in all of the above activities with her own dogs, achieved KCGCDS Gold and taken part in Competitive Obedience. She now owns a rescue Huskie-mute called Jake.

At present Sue is working hard to achieve recognised qualifications to support her years of experience as a dog handler and Instructor. To this end she is participating on the 'in-house' GVDTC Instructors Training Course covering modern training techniques which promote the use of only kind, fair and effective methods, has attended clicker training courses and has successfully completed the APDT Instructors Assessment in June, 2015. She is also a Member of the KCAI Scheme working towards accreditation.

Sue is a long standing Club Committee Member. She acts as the telephone contact for the club, directing enquiries to the appropriate people and is the club administration contact with the Kennel Club for the GCDS Awards.
